- If you partner with South Bay to capture your PSP/CPT or SWAT training please send your me your training rosters.
- Jimmy wanted us to remind the group that the Driving Simulator may be used to meet your Driving PSP requirement through December. Unfortunately, it is no longer funded by POST, which means the training costs \$110 per attendee if you send them to our San Jose location. After

December, all driving PSP requires behind the wheel driving. Please contact Jimmy Hoag ASAP if you would like to schedule driving simulator training [jhoag@theacademy.ca.gov](mailto:jhoag@theacademy.ca.gov) or 408-313-1309.
