- Update regarding Bulletin 2023-14, the Amendments to Regulation 1070 and 1082, Instructor Update/refresher requirements.

- This Item will be pulled from the agenda for the next Commission meeting, so it will not be approved until further research is conducted.
 - If you recall, and for those who did not attend the meeting or see my email, the proposed language created quite a few concerns about the feasibility, content, and timeline.
 - For those of you who sent in your complaints and concerns to POST, thank you for voicing your concerns. It was clear from this region and others that the proposed amendments were problematic.
- The Team Building Workshop for agencies application process will be opening on May 1st. These openings fill up quickly, so if your agency is interested, please apply:
